1 General information

These condensed interim financial statements cover Ironbark LHP Global Long/Short Fund (the "Fund") as an individual entity. The Fund is an Australian registered managed investment scheme and was constituted on 22 June 1998. The Fund will terminate on 21 June 2078 unless terminated earlier in accordance with the provisions of the Fund's Constitution.

The Responsible Entity of the Fund is Ironbark Asset Management (Fund Services) Limited (ABN 63 116 232 154) (AFSL 298626) (the "Responsible Entity"). The Responsible Entity's registered office is Level 13, 1 Margaret Street, Sydney, NSW 2000.

The Fund's strategy is to access, through the Fund's investment in the Lighthouse Global Long/Short Fund Limited, an actively managed diversified portfolio of international equity long/short investments with a low correlation to the MSCI AC World Index.

The condensed interim financial statements were authorised for issue by the directors on the date the Directors' declaration was signed. The directors of the Responsible Entity have the power to amend and reissue the condensed interim financial statements.

2 Basis of preparation

These condensed interim financial statements have been prepared in accordance with Australian Accounting Standards AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*.

These condensed interim financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these condensed interim financial statements are to be read in conjunction with the annual financial statements for the year ended 30 June 2018 and any public announcements made in respect of the Fund during the interim reporting period in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

These condensed interim financial statements are presented in Australian dollars.

Except as disclosed below, the accounting policies applied in these condensed interim financial statements are the same as those applied to the Fund's financial statements for the year ended 30 June 2018.

The Fund had to change some of its accounting policies as a result of new and revised accounting standards which became effective for the first time in the current reporting period. The affected policies are:

- *AASB 9 Financial Instruments* (and applicable amendments)

AASB 9 addresses the classification, measurement and derecognition of financial assets and financial liabilities. It has now also introduced revised rules around hedge accounting and impairment. The adoption of the amendment does not have a significant impact on the recognition, classification and measurement of the Fund's financial instruments as they are carried at fair value through profit or loss. The derecognition rules have not changed from the previous requirements, and the Fund does not apply hedge accounting. AASB 9 introduces a new impairment model. However, as the Fund's investments are all held at fair value through profit or loss, the change in impairment rules does not have a material impact on the Fund.

- *AASB 15 Revenue from Contracts with Customers*

AASB 15 replaces AASB 118 *Revenue* which covers contracts for goods and services and AASB 111 *Construction Contracts* which covers construction contracts. AASB 15 is based on the principle that revenue is recognised when control of a good or service transfers to a customer – so the notion of control replaces the existing notion of risks and rewards.

The Fund's main sources of income are interest and gains on financial instruments held at fair value. All of these are outside the scope of the new revenue standard. As a consequence, the adoption of AASB 15 does not have a significant impact on the Fund's accounting policies or the amounts recognised in the financial statements.

Comparative information has been revised where appropriate to enhance comparability. Where necessary, comparative figures have been adjusted to conform with changes in presentation in the current reporting period.

2 Basis of preparation (continued)

(a) Use of estimates and judgement

The preparation of condensed interim financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and reported amounts of assets and liabilities, income and expenses. These estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognised in the period in which these estimates are revised if the revisions affect only that period, or in the period of the revisions and future periods if the revisions affect both current and future periods.

3 Fair value measurement

The Fund measures and recognises the financial assets and liabilities at fair value on a recurring basis.

- Financial assets designated at fair value through profit or loss (FVTPL) (see note 5)

The Fund has no assets or liabilities measured at fair value on a non-recurring basis in the current reporting period.

AASB 13 *Fair Value Measurement* requires disclosure of fair value measurements by level of the following fair value hierarchy:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1)
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly (level 2); and
- Inputs for the asset or liability that are not based on observable market data (unobservable inputs) (level 3)

(i) Fair value in an active market (level 1)

The fair value of financial assets and liabilities traded in active markets is based on their quoted market prices at the end of the reporting period without any deduction for estimated future selling costs.

The Fund values its investments in accordance with the accounting policies set out in note 2 of the annual financial statements.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

An active market is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

(ii) Fair value in an inactive or unquoted market (level 2 and level 3)

The fair value of financial assets and liabilities that are not traded in an active market is determined using valuation techniques. These include the use of recent arm's length market transactions, reference to the current fair value of a substantially similar other instrument, discounted cash flow techniques, option pricing models or any other valuation technique that provides a reliable estimate of prices obtained in actual market transactions.

Investments in unlisted unit trusts are recorded at the redemption value per unit as reported by the investment managers of such funds.

3 Fair value measurement (continued)

(iii) *Recognised fair value measurements*

The following table presents the Fund's assets and liabilities measured and recognised at fair value as at 31 December 2018 and 30 June 2018.

As at 31 December 2018	Level 1 \$'000	Level 2 \$'000	Level 3 \$'000	Total \$'000

As at 30 June 2018	Level 1 \$'000	Level 2 \$'000	Level 3 \$'000	Total \$'000

Total	<u>-</u>	<u>192,702</u>	<u>-</u>	<u>192,702</u>

The Fund held unlisted unit trusts as at 31 December 2018 and 30 June 2018.

(iv) *Transfers between levels*

The Fund's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the six months reporting period.

There have been no transfers between levels in the fair value hierarchy at the end of the reporting period.

(v) *Fair value measurements using significant unobservable inputs (level 3)*

The Fund did not hold any financial instruments with fair value measurements using significant unobservable inputs during the six months ended 31 December 2018 and year ended 30 June 2018.

(vi) *Financial instruments not carried at fair value*

The Fund did not hold any financial instruments which were not measured at fair value in the statement of financial position during the six months ended 31 December 2018 or year ended 30 June 2018. Due to their short-term nature, the carrying amounts of receivables and payables are assumed to approximate their fair value.

4 Net assets attributable to unitholders

Movements in number of units and net assets attributable to unitholders during the six months ended 31 December 2018 were as follows:

	Six months ended			
	31 December 2018	31 December 2017

Closing balance	96,189	104,197	161,693	188,301
Total			169,729	200,295

As stipulated within the Fund's Constitution, each unit represents a right to an individual share in the Fund and does not extend to a right to the underlying assets of the Fund. There are two classes of units on issue and all classes of units rank equally and are not subordinate to any other class.

In the 30 June 2018 Annual Financial Report, applications and redemptions activity in both units and dollar amounts in the month of June 2018 was not correctly reflected in that Annual Financial Report. The opening balance of both units and dollar amounts in this Condensed Interim Financial Report are correctly stated.

Independent Auditor's Review Report

To the members of Ironbark LHP Global Long/Short Fund

Conclusion

We have reviewed the accompanying **Condensed Interim Financial Report** of Ironbark LHP Global Long/Short Fund (the Fund).

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the Condensed Interim Financial Report of the Fund is not in accordance with the *Corporations Act 2001*, including:

- giving a true and fair view of the Fund's financial position as at 31 December 2018 and of its performance for the half-year ended on that date; and
- complying with *Australian Accounting Standard AASB 134 Interim Financial Reporting* and the *Corporations Regulations 2001*.

The **Condensed Interim Financial Report** comprises:

- Condensed interim statement of financial position as at 31 December 2018;
- Condensed interim statement of comprehensive income for the half-year ended on that date;
- Condensed interim statement of changes in equity and condensed interim statement of cash flows for the half-year ended on that date;
- Notes 1 to 10 comprising a summary of significant accounting policies and other explanatory information; and
- The Directors' Declaration.

Responsibilities of the Directors for the Condensed Interim Financial Report

The Directors of the Ironbark Asset Management (Fund Services) Limited (the Responsible Entity) are responsible for:

- the preparation of the Condensed Interim Financial Report that gives a true and fair view in accordance with *Australian Accounting Standards* and the *Corporations Act 2001*
- such internal control as the Directors determine is necessary to enable the preparation of the Condensed Interim Financial Report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility for the review of the Condensed Interim Financial Report

Our responsibility is to express a conclusion on the Condensed Interim Financial Report based on our review. We conducted our review in accordance with *Auditing Standard on Review Engagements ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the Condensed Interim Financial Report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the Fund's financial position as at 31 December 2018 and its performance for the half-year ended on that date; and complying with *Australian Accounting Standard AASB 134 Interim Financial Reporting* and the *Corporations Regulations 2001*. As auditor of Ironbark LHP Global Long/Short Fund, *ASRE 2410* requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a Condensed Interim Financial Report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with *Australian Auditing Standards* and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.
